Message from Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2025 Ballinasloe Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Ballinasloe Agricultural Show for 2025. My Department will again this year provided €1 million to over 120 other agricultural shows combined across the country, including your own event here in Ballinasloe.

Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Ballinasloe, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbors and friends.

Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to face to share all that is good about life in the countryside.

Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local

rivalry for those much coveted titles and awards but it is always in the very best of spirits. The way in which neighbouring farms and parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show.

Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country and meeting as many of you as I can.

Note for information regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on the 4th February 2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a show.

- The following sets out the criteria applicable:
- The movement of cattle to and from an Agricultural Show within the state must be recorded on the Animal Identification and Movement System (AIM).
- In line with these changes, a specific certificate of compliance for the "Movement of Bovine from a Single Holding to a Show" must now be

requested prior to the movement of animals concerned.

- These certificates can be created by (i) applying online using their ag-food account or (ii) where the keeper is not online, the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Department's Website and will also be included with the show circular when issued.
- When applying for this certificate the destination herd/ or Show number is not required. The certificate generated will include a "S" symbol.
- The certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.
- Please also note, calves which are less than 10 days old cannot be moved to a Show.

As is currently the case the Movement Notification Section of the Certificate should be completed by the keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also. Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the show. 2 of 16 Animal Identification and Movement (AIM) Division, Department of Agriculture, Food and Marine.
